EDUCATION

Madurai kamaraj university, Madurai— *BCA*

2021 - 2024

Class – FIRST CLASS

PERCENTAGE–62%

Elango corp hr sec school, Madurai— *HSC*

2020 – 2021

PERCENTAGE – 72%

PROJECTS

1. Student Marks Management System

Python, File Handling

- Add, update, delete student marks
- Data stored in a local file using basic CRUD operations

2. Guess the Number Game

Python, Random Module

- A simple number guessing game where the system selects a Random number and the user tries to guess it.
- Provides hints if the guess is too high or too low.
- Used `while` loops, `if-else` conditions, and `random.randint()`.

3. Rock, Paper, Scissors Game

- Built a simple Python game where the user plays against the computer.
- Used `random` module and conditional statements to decide the winner.

SKILLS

Languages: Python, HTML, CSS, JavaScript (Basics)
